

Product Contents:

- Premium 25ft Outdoor WiFi Antenna Cable APC25EX

What you'll need to get started:

- 802.11b/g/n Wireless Router, Access Point, Bridge, Repeater or Wireless Device with RJ-SMA or N-Type female connector
- Amped Wireless Outdoor Antenna Kit - *or* - Wireless Antenna with N-Type Female Antenna Connector

Setup Option 1:

Connect an Amped Wireless Antenna Kit to a Wireless Device

Connects your Amped Wireless Outdoor Antenna to the Surge Protector

Installation Overview

- Using the included 3ft Jumper Cable, attach the SMA Plug to the RJ-SMA antenna connector on your wireless device.
- Connect the other end of the Jumper cable to the included Surge Protector.
- Use the Premium 25ft Outdoor Antenna cable to:
 - Connect one end to the Premium Surge Protector and
 - Extend your installation outdoors

Setup Option 2:

Connect an Outdoor Antenna to an Outdoor Wireless Device

If you have an outdoor wireless device that has N-Type female antenna connector, you may use this cable to attach directly to an outdoor WiFi antenna from your WiFi device

Installation Overview

- Attach the Premium 25ft Outdoor Antenna cable to your Outdoor Wireless Device.
- Use the Premium 25ft Outdoor Antenna cable and extend your installation to an optimum location.
- Connect the Premium 25ft Outdoor WiFi Antenna Cable to an Outdoor Wi-Fi Antenna (Sold Separately).

* Note: This installation bypasses the use of a surge protector. Surge protectors are used to protect yourself and your WiFi devices from electrical surges. Without a surge protector your WiFi devices and other connected electrical components may be damaged in the event of an electrical surge. It is recommended that you use a surge protector whenever possible to protect from personal injury or damage to your property.

Antenna Cable Information:

This antenna cable can be used indoors or outdoors. It includes UV protective coating and is constructed with high quality, rugged material built to withstand harsh outdoor climates.

Product Warranty and Regulatory Information

The Amped Wireless (A division of Newo Corporation, Inc.) Limited Warranty

Warranty Period: The Amped Wireless Limited Warranty is for one (1) year from the date of purchase for new products. Refurbished products carry the Limited Warranty for thirty (30) days after the date of purchase.

Guarantee: Amped Wireless warrants to the original purchaser that the hardware of this Amped Wireless product shall be free of defects in design, assembly, material, or workmanship.

Conditions: The Amped Wireless Limited Warranty is for repair or replacement only at the sole discretion of Amped Wireless. Amped Wireless does not issue any refunds for purchased product. In the event that Amped Wireless is unable to repair or replace a product (i.e. discontinued product), Amped Wireless will offer a credit toward the purchase of a similar product of equal or lesser value direct from Amped Wireless. Any repaired or replacement products will be warranted for the remainder of the original Warranty Period or thirty (30) days, whichever is longer. Amped Wireless reserves the right to discontinue any of its products without notice, and disclaims any limited warranty to repair or replace any such discontinued product. Amped Wireless reserves the right to revise or make changes to this product, its documentation, packaging, specifications, hardware, and software without notice. If any portion of the Amped Wireless Limited Warranty is found to be unenforceable, its remaining provisions shall remain in effect. All costs of shipping the product to Amped Wireless shall be borne solely by the purchaser.

Limitations: IN NO EVENT SHALL AMPED WIRELESS' (NEWO CORPORATION'S) LIABILITY EXCEED THE AMOUNT PAID BY YOU FOR THE PRODUCT FROM DIRECT, INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THE PRODUCT, ITS ACCOMPANYING SOFTWARE, ACCESSORIES OR ITS DOCUMENTATION. The Amped Wireless Limited Warranty does not apply if: (a) the product assembly has been opened or damaged, (b) the product or its software or firmware has been altered or modified, (c) the product has not been used and installed in accordance to Amped Wireless' instructions, (d) the product has been subjected to misuse, or negligence. Amped Wireless does not guarantee the continued availability of a third party's service for which this product's use or operation may require. The Amped Wireless Limited Warranty does not protect against acts of God, vandalism, theft, normal wear and tear, obsolescence and environmental damages such as, but not limited to, weather and electrical disturbances. The Amped Wireless Limited Warranty is the sole warranty for this product. There are no other warranties, expressed or, except required by law, implied, including the implied warranty or condition of quality, performance merchantability, or fitness for any particular purpose.

How to Claim Warranty Service:

In the event that you have a problem with your Amped Wireless product:

- Check the Amped Wireless website for support for your product: www.ampedwireless.com/support/
- If you cannot find a solution for your product issue, call the Amped Wireless Technical Support department to help troubleshoot your issue:
Toll Free: 888-573-8820 Local: 909-992-3209 x 4
- If the Amped Wireless support agent cannot solve your problem, the support agent will check to make sure your product is eligible for warranty service. A product is eligible for warranty service under the following conditions:
 - Your product was purchased within 1 year from your service request
 - Your product is registered with Amped Wireless
 - You have product serial number available
 - You have the proof of purchase for your product
- The support agent will then provide you with a "Ticket" number and access to the RMA website to fill out a form for warranty service
- Send the form back to the agent and you will be provided an RMA number along with instructions on how to ship your product back to Amped Wireless for service. You will be responsible for properly packing and shipping the product at your cost to Amped Wireless. Be sure to include all accessories, cables and power adapters.
- Amped Wireless will service your product and determine whether a replacement or repair is needed for your product issue.
- After the service is complete, your product will be shipped back to you (Amped Wireless has the right to determine the bearer of cost related to shipping product back to the customer).

Technical Support:

The Amped Wireless Limited Warranty is not related to the terms, conditions and policies of Amped Wireless' Technical Support offerings. For questions regarding support, please contact techsupport@ampedwireless.com
